

The Holt Co. Soil & Water Conservation District Is Accepting Applications for a District Technician

This person will provide technical and clerical assistance to office staff and prepare engineering designs using a computerized engineering design program. General agricultural related knowledge is required. Qualifying applicants must have completed a course in agricultural technology, surveying, conservation or some closely related course work or possess equivalent experience.

Applications will be available April 18 – May 7 at the Holt Co. Soil & Water Conservation District office, 118 West Davis St., Mound City or by calling 660-442-3173 Ext 3.

Applications must be received no later than May 7, 2012.

The Holt SWCD is an Equal Opportunity Employer.
